

ASSEMBLY INSTRUCTIONS

#15102 - Hide-A-Way Charcoal Grill

Thank you for buying a Texsport Authentic Adventure Gear Product. We hope you enjoy your new grill and that it will serve you with many years of camping pleasure. We encourage you to read and understand each step of the set-up instructions prior to working with the grill.

All the grates to your grill come packed inside the grill.

Open the grill and remove the grates. Swing open the sides of the grill to secure open.

Place the large grate into the grill first. This is what will hold your charcoal.

Unfold and place the sectioned grate onto the grill.

Enjoy!
